

The International Fellowship of Flying Rotarians is for all Rotarians who are interested in General Aviation.

Each year the UK Section holds a series of one-day events ideal for Private Pilots hiring Club aircraft as well as those who have their own or shared aircraft. But those arriving by road are equally welcome – you do not need to be a pilot to join, just a Rotarian interested in aviation.

In 2016 our main weekend meeting is being held in Jersey and we have invitations from other European Sections for “Fly-Ins” to Clermont-Ferrand (France), Hilversum (Netherlands) Berlin (Germany), Bodø (Norway), Kitzbuhel (Austria) and Annemasse (France).

Membership of The International Fellowship of Flying Rotarians gives:

- Regular contact with others who share your interests - Rotary and Aviation
- The opportunity to take part with other members in visits at home and abroad, to Air shows, Museums, Rallies, Reunions and other aviation events
- A distinctive IFFR pin badge acknowledged by Rotary International
- A Newsletter telling of past and forthcoming events in Britain and in the rest of the World
- A worldwide Membership Directory of IFFR members

Whilst full membership is only open to current active or honorary Rotarians, once you have joined you may usually bring a friend, spouse or partner to events – ideal if you share an aircraft with a non-Rotarian. Combining an interest in aviation with the fellowship of Rotary makes a great basis for pursuing the Objects of Rotary in an enjoyable fashion.
